Re: Boucher for Congress ((ID# C00178418))  
30 Day Post-General Report (10/15/98-11/23/98)

Dear Ms. McCarthy:

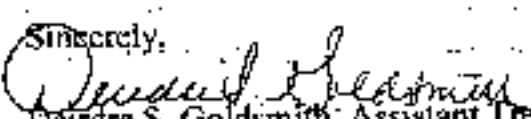

I am writing to update you on recent actions with regard to the Boucher for Congress Committee's 30 Day Post-General report. Two supporters have informed the Committee of their desire to have a portion of their contributions re-attributed to Congressman Rick Boucher's 2000 Primary election. I am attaching corrected copies of Schedule A, Pages 8 and 9 for Line Number 11(a)(i). In addition, I am enclosing an amended Summary Page which reflects that the Post-General report contains activity for both the 2000 Primary and General Elections. Please amend the Committee's report to reflect these changes.

With regard to the political committee which appears to be other than a qualified multicandidate committee, I have spoken with a representative of the political action committee (PAC). The PAC is in the process of requesting that the excessive portion of its contribution be redesignated to the current election cycle. As soon as I receive a written response from the PAC, I will forward a copy to you along with the appropriate amended forms. I appreciate your patience as we strive to remedy the matter as quickly as possible.

For your information, I have not yet received a proposal from our computer programmer to make the changes that were requested.

If you have any questions, please feel free to give me a call at (540)628-7197. Thank you for your assistance.

Sincerely,

  
Deirdre S. Goldsmith, Assistant Treasurer
